 [contact@connyrehbein.me](mailto:contact@connyrehbein.me)  
<https://github.com/connyr>

01 / 2014 **Hasso Plattner Institute** *potsdam, germany*  
 now

## Project Student

Research into natural language processing and how involved techniques can be used as an interface to a relational database.

Technologies: Python, SQL, nltk

05 / 2013 **SAP Innovation Center** *potsdam, germany*  
 11 / 2013

## Working Student

Webservice Development for REST-based communication between database and iPad app to allow explorative analysis on data.

Technologies: REST API, SAP Hana, XSEngine, Python, SQL

03 / 2011 **SAP Labs** *Palo Alto, CA, United States*  
 03 / 2011

## Software Engineering Intern

Mobile Development of iPad and iPhone apps with varying teams, functionalities, and durations

Technologies: iOS, Objective-C, CocoaTouch, Javascript, HTML5

**Hasso Plattner Institute (~ 10/2014)**  
*Potsdam, Germany*

**Major:** IT Systems Engineering

**Degree:** Master of Science

Thesis is not fixed yet.

**Hasso Plattner Institute**  
*Potsdam, Germany*

**Major:** IT Systems Engineering

**Degree:** Bachelor of Science

iOS/ Objective-C

C / C++

Python

Javascript

Java

SQL
